A light purse goes a long way at J. SCHOENFELD'S Great Enlargement Sale. Business forced by grand, and not obtainable elsewhere, Bargains in every department. In fact, as compared with the prices charged by other dealers, it is positively like picking money up by purchasing Clothing, Hats, Caps and Gents' Furnishing Goods at this sale. The grand array of bargains opens everybody's eyes.

AS THICK AS HAIL! NEW SPRING STYLES!

Pouring in. Cases after cases daily bursting open their beautiful contents of Stylish Hats and Furnishing Goods. Grand Opening of Spring Suits.

Latest Styles!

Fashionable Novelties. Everything in the w y of new, rich, rare and elegant garments. Before you buy, and when you are ready to purchase your new Spring Suits, we want you to drop in and see us. Your time will be well spent, and so will your money, if you spend it with us. We have but little to say today on the subject of Spring Suits, but what little this is it is good and to the point. We will show every one that we can supply them with the very best garments obtainable for little money, at fully one-third below what the same quality of goods would cost at your other stores. We will guarantee to sell Fine Goods at prices usually asked by other dealers for medium grades, and medium grade goods will be offered at prices which are no higher than common goods, for very little garments obtainable elsewhere.

Boys' and Children's Clothing!

Variety endless. Prices low enough for anybody. Entirely new Spring Styles to be placed on sale this week; styles beautiful, fashionable, elegant, and prices in consonance with our invariable plan of selling at lowest possible figures, choice and select Novelties which we know cannot be obtained outside of our store, not only for Children, but for the bigger boys, Spring Suits as charming in style as any prudent parent would wish to see his boy attire in. We expect to make sad havoc among our Boys' and Children's Garments this week, because they are all as desirable and surprisingly good as they are low in prices. To prove to our friends and patrons that the Spring season will be no exception to our rule of underselling all of our competitors of our line in the city, parents are particularly requested to call and convince themselves of utter impossibility of any other store matching our Goods and Prices.

GREAT HAT SALE!

GREAT HAT SALE!

Remember this Hat Sale is now on, and as great as it is, it is but a foretaste of what we intend to do, or how we intend to paralyze all competitors this Spring. We'll fulfill our mission of underselling all competion or we will quit the business. Let it be understood that we are offering for sale Hats of all kinds from 47c up, and no matter what prices we ask, the same quality cannot be obtained elsewhere under 25 per cent. more money.
